

Century Pai Foundation was started during January 2013 and P. Dayananda Pai and P. Satish Pai Trust were merged with the Foundation.

Since then, the Trust's generous works have become more widespread. Century Pai Foundation contributes to enormous activities like educational and medical institutions, marriage of poor girls, mid-day meals to school children and facilitation of scholarship-funded education to deserving but poor students.

To improve the socio-economic infrastructure of Channahalli village

Century Real Estate recently adopted Channahalli village near Chikkajala in Karnataka for its flagship Corporate Social Responsibility (CSR) initiative. The objective of the initiative is to work towards infrastructural and socioeconomic development in and around the village through community interventions over a 15 month period by involving various stakeholders like community, local governing bodies, school and volunteers.
